

ANDIDRAIN LIMITED

Andidrain Limited recognises that its business activities interact with the environment in a variety of ways. These activities have a significant impact in the key areas of: Consumption of electricity; water diesel; petrol and other oil derivatives; the use of vehicles; the creation and disposal of general, sanitary and hazardous waste and the disturbance of waterborne silts.

The organisation recognises that it has a responsibility to help protect the environment wherever it has an opportunity to do so, to be a responsible neighbour, and to provide a comfortable environment for its employees to work in.

As such, the organisation is committed to:

- Continual improvement in the environmental impact of its business activities;
- Improving the environmental benefits provided by its products/services;
- Preventing pollution;
- Complying with all relevant legal, customer, and other third party requirements;
- Setting measurable environmental objectives that will help minimise its environmental impact;
- Adopting best practices applicable to its activities wherever practicable.

The organisation will achieve these commitments by:

- Maintaining an Environmental Management System that is independently certified as compliant with ISO 14001:2015;
- Employing processes that identify the aspects of the organisation's business that have an environmental impact and quantifying the significance of each aspect;
- Maintaining an environmental performance improvement programme to enable the organisation's objectives to be achieved;
- Ensuring that its employees, suppliers and customers are aware of their role in supporting the organisation's commitments and environmental objectives;
- Training its employees in good environmental protection practices and encouraging employee involvement in environmental improvement initiatives;
- Focussing on Waste Management Plans; Spill Control Procedures and effective Project Planning
- Continually monitoring the environmental impact of its business activities.

The implementation of this policy is fundamental to the success of the organisation's business and must be supported by all employees as an integral part of their daily work.

This policy is publicly available to interested external parties upon request.
